PARTNERSHIP FOR SUSTAINABILITY AWARD 2019 – Global goals-Local solutions!

The Local network of UN Global Compact in Ukraine announces the start of the second Partnership for Sustainability Award 2019. It is a competition of partnership projects between different stakeholder groups to reach sustainable development goals.

CATEGORIES

- **People** (*inclusive employment, education, youth empowerment, cultural diversity, gender equality, health care, etc*)
- **Planet** (*environment, waste management, sustainable cities, green energy, climate changes, protection of biodiversity, food and water management, sustainable supply chain, etc*)
- **Peace** (*human rights, social welfare, peace building, anticorruption, etc*)
- **Prosperity** (*economical growth, circular economy, infrastructure, green innovations, community development, etc*)

STAGES

- Accept applications for participation in the award (August-September 2018)
- Assessment of the cases by the expert jury (October-November, 2019)
- Awarding winners (December, 2019)

BENEFITS

- Opportunity to **present and share** your practices to the public
- Find new partners to **scale the impact**
- Get **international acknowledgment**
- The best cases selected by international jury will be presented at The Global Opportunity Explorer. This is the world's largest collection of vetted and verified solutions from leading cities, companies and industries.

CONDITIONS OF ENTRY

- The applicant is a private sector company, non-profit organization or local authority that has implemented a social project in a partnership with a representative of another stakeholders group.
- Presented project corresponds to the categories of the Award;
- Presented project is on-going, started or has been completed in 2018-2019.
- Applicants can submit more than one application. We don't accept cases that were presented at the competition 2018.
- We accept application forms from **Belarus, Georgia, Poland and Ukraine.**

ASSESSMENT CRITERIA

- Impact on society (25%),
- Partnership (25%),
- Project sustainability (25%),
- Innovation of the project (25%)
